1. The following is an examiner's statement of reasons for allowance: the cited art does not teach nor suggest an electronic module that provides dual insulation layers between an internal line voltage and a tool housing (power tool) that serves as a heat sink and a first layer of electrical insulation between the line voltage and an external tab of the tool with a thermal pad providing the second layer of electrical insulation between the line voltage and the tool housing as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication should be directed to Gregory D. Thompson at telephone number (571) 272-2045.
